

## Change Notification

<b>Date:</b>	June 09, 2016
<b>Material Description:</b>	CMRL 1066 [+] HEPES, [-] sodium bicarbonate and phenol red
<b>Catalog Number(s):</b>	98-291-CV
<b>Change Description:</b>	<b>Discontinuation of 98-291-CV – CMRL 1066</b>

Due to low demand, and to better align our product portfolio with industry use, CMRL 1066 with HEPES, without sodium bicarbonate and phenol red (98-291-CV) has been discontinued. All stock of this product has been exhausted and there is no alternative product available.

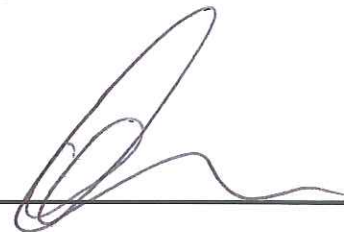

Please note that we have no plans to discontinue any of our other Islet Solutions and Reagents, and we will continue to supply these products for your cell isolation needs.

If you have any questions or concerns regarding this change, please contact Corning Scientific Support ([Scientificsupport@corning.com](mailto:Scientificsupport@corning.com) or (800) CELLGRO (235-5476)).
